[Saudi Arabia](#) International Service Up-date

Saudi Arabia

Process Service Network is one of a few firms that specializes in international service of process and offers competitive rates on foreign services. Here is a summary of the methods available for service outside the United States and a specific proposal for the requested nation.

Our job is to cut through the bureaucracy and red tape to get the service completed with as little delay as possible. Since we have been in business for 26 years, we have developed close working relationships with key individuals in most countries throughout the world. The founder and President of *Process Service Network* was a Political Science major in college with a focus on international relations and is actively involved in a worldwide organization through which he has developed business and personal relationships in over 80 nations worldwide.

FORMAL SERVICE:

SAUDI ARABIA is not a signer of the Hague Service Convention. There is currently no formal method of service since Saudi Arabia does not honor Letters Rogatory.

INFORMAL SERVICE:

Private process servers may serve documents in most countries, whether a signer of *The Hague Service Convention*, or not. Service is normally handled in a manner similar to methods used in the United States, although completion of the service usually takes longer. Customs and traditions in other countries tend to lead to a slower pace and less rigid work habits, particularly in the Arab nations. Service sometimes may take several months but informal service is generally much faster than formal methods. Most process servers who we employ are off-duty police officers or other government officials who are able to, in certain cases, exercise their official capacity to complete the service. Since we pay the process server a bonus (at our own expense) for prompt

service, the normal delays are usually reduced.

It must be advised, however, that corruption is sometimes evident in that country and that it is common for the process server to contrive an excuse for delays and/or additional costs. We will cover any additional costs but delays may be unavoidable.

Further, service in Saudi Arabia has been complicated in the recent period due to tensions in the Arab world. We do all that is possible to insure a timely completion of the service.

Advantage: Time and cost.

Disadvantage: Judgment may not be enforceable in the country where assets are located.

TRANSLATIONS:

Some countries require the documents to be translated into the official language of the nation where they are to be served. The U.S. State Department *recommends* translation, but it is not a requirement unless the formal method is used. It is possible, although rare, that a demurer could be filed based upon lack of understanding by the defendant as to the nature and meaning of untranslated documents. It is important that the Defendant understand the nature of the documents.

COSTS:

Service of process:

Informal = \$1175.00 All fees are per defendant/address

Translation: \$0.38 per word (proper nouns not translated)

DECLARATIONS:

We provide any necessary formal Declarations, under penalty of perjury, that the Court may require as to the progress and status of the service (at no additional cost).

WARNING: Beware of companies that quote suspiciously low rates. They often come back later with an excuse for an additional charge. Our rates are firm for one address quoted. Other companies are actually brokerage firms or website developers, not process service agencies, who farm out assignments to secondary companies that are not knowledgeable or qualified on international service of process.

DISCLAIMER:

The information contained herein is provided for general information only and may not be accurate at the time of service in a particular case or country. Questions involving specific services should be directed to our office. Care should be exercised in choosing the method of service (formal/informal) if eventual enforcement of a U.S. judgment is anticipated in the country where the documents are to be served. No legal advice is intended in the statements contained herein. Assignments for international service of process are accepted on the basis that the assigning law firm has researched all applicable laws. Process Service Network and its agents assume no liability for its actions in the course of any phase of the service of process assignment.

Specializing in International Service and "hard-to-serve" cases

* Guaranteed service means we will serve the documents at the address provided, if service is legally possible. Dated documents may require a re-set of the court date if unable to serve in time. Additional charge will apply for additional addresses and attempts on dated documents after re-set. Guarantee does not apply to investigations, out-of-area process service, small claims cases, or international service of process due to circumstances that may occur beyond our control in certain nations and we cannot be responsible for such circumstances. No refunds will be made after institution of any assignment, for any reason. All fees are due and payable upon demand. Our fees cover all known governmental fees in foreign nations and our fee to handle the service; in rare cases, extra charges may apply to cover governmental agency fees. Note: We've been doing it for 26 years, so we must be doing it right.
